Tax Statements are mailed for every parcel in Monona County, IA to the mailing address on file. Contact your mortgage company if you are unsure who is responsible for paying your tax. Failure to receive a tax statement will not prevent the accrual of late interest. Please contact the county when you move to ensure future bills and notices are delivered to the correct address.

Penalty for Late Payment of Property Tax

Please return the appropriate installment stub(s) from this statement with your payment to ensure accurate processing. Please do not send cash through the mail. The top portion of the tax statement is for your records. Taxes are due on September 1st and March 1st. They become delinquent on October 1st and April 1st. When the last day of the month is a Saturday, Sunday, or holiday, the deadline for remitting tax payments without late interest or additional late interest is extended to include the first business day of the following month. Payments received by the Treasurer's Office or postmarked on or after the delinquent date will accrue late interest at 1.5% per month (rounded to the nearest dollar) with a minimum of one dollar. The U.S. Postal Service Postmark is the only date recognized for date of mailing. The Treasurer's Office does not accept the date written on your check or business metered date as proof of the mailing date.

Important Billing Notice

When you send us a check as a payment, you authorize us to clear your check electronically. You may not receive this check back. A service charge may be assessed on returned checks. If your check is returned after a tax deadline, you may incur late interest. Overpayments of \$5.00 or less may not be refunded.

If you are requesting a paid receipt, please include a self-addressed stamped envelope. The county treasurer may accept partial payments toward your tax bill. Pursuant to Iowa Law, a county treasurer cannot accept partial payments for special assessments, drainage tax, or tax sale redemptions. Contact your county treasurer for information about making partial payments. County treasurers collect taxes on behalf of the tax authorities within their county. The distribution of your tax dollars among the tax authorities is provided on the top of this statement.

Polling places will be open from 7 AM - 8 PM on election day, with some exceptions.
