Dear Wilma:

Enclosed is your cost-share payment from the Lower Platte South Natural Resources District in the amount of **\$16,770.00** for the Summer conservation practices installed on your farm in Lancaster County. This payment is for work done under claim **7012-LA** and based on the final units performed in accordance with the Nebraska Soil and Water Conservation Program.

The NRD Board of Directors appreciates your interest in protecting your natural resources and is glad to be able to financially assist you in installing this conservation measure on your farm.

Sincerely,

David Potter
Assistant General Manager

I (we) the undersigned, do hereby request cost-share assistance to help defray the cost of installing the soil and water conservation practices as listed below. It is understood and agreed that:

1. Before receiving any cost-share funds, it will be necessary for the landowner(s) to sign the agreement below relating to the maintenance of practices installed.
2. Practices must be planned and installed in accordance with technical specifications of the Natural Resources Conservation Service.
3. The responsible technician must make prior determination that the practices are feasible on the site where they are to be installed, that they are properly planned and installed, and that estimates of quantities are proper and reasonable.
4. Items of cost for which reimbursement is later claimed are to be supported by documentation of payments made or due to contractors or other workers.
5. This application will not be effective until approved by the Natural Resources District. Claims for payment will not be accepted more than nine (9) months from the date this application is approved unless an extension is granted by the Natural Resources District.
6. Maximum reimbursement will be limited to 75 percent of the actual cost to the landowner, the percentage of average costs specified below or the amount obligated by the Natural Resources District, whichever amount is the least.
