Property Information

Property Description: The subject farm is being offered as one contiguous tract and consists of highly productive irrigated cropland supported by a combination of surface water from the Bostwick Irrigation District and groundwater under active permits administered by the Lower Republican Natural Resources District. The farm benefits from an overall surface-water allocation of approximately 78 acre-feet and groundwater irrigation is authorized under two active well permits: Well Registration No. G-102218 (80 acres) and Well Registration No. G-136955 (210 acres). Collectively, these surface and groundwater sources support the majority of the farm's irrigated footprint and contribute to its strong and reliable production profile.

Access to the farm is excellent, with frontage along U.S. Highway 136 on the north and County Road 100 along the east boundary, allowing efficient movement of farm equipment and grain hauling. The property also includes grain storage improvements consisting of one grain bin and two corn cribs; the grain bin currently lacks an electrical connection, and access to the grain storage facilities on the south portion of the farm.

Bostwick irrigation fees shall be paid by the seller and reimbursed to the seller by the buyer at closing.

Directions to Property: The property is located 1 1/4 mile east of Riverton, Nebraska along Highway 136.

Legal Description: All that part of Section 1, Township 1 South, Range 13 West, Franklin County, Kansas, including the Northeast Quarter (NE 1/4), Southeast Quarter (SE 1/4), the East One-Half (E 1/2) of the West One-Half (W 1/2), and portions of the Northeast Quarter (NE 1/4) and the East One-Half (E 1/2) of the Northwest Quarter (NW 1/4), together with all appurtenant water rights and irrigation improvements.
